

OREGON STATE RACE  
SPECIAL AVERAGE SPEED  
100 % OPTIONAL

This year's Oregon State race has been on continuous hold do to extreme smoke conditions.

Training has resumed on selected days and the birds have been coming good.

Central Oregon Racing Pigeon Club has also been on hold, with no races being flown on this year's young bird schedule. It is our plan to start our season on Sept. 19<sup>th</sup>.

We decided to ship the State birds on the trailer for their own release the next four weekends. They will be scanned and posted live on wincompanion. If the weather cooperates this will provide a four race series for the State birds. Paisley Sept. 19, Lakeview Sept 26, Alturas Oct. 7, and the capitol prize race from Gerlach on Oct. 14.

We will calculate an average speed for the four races with recognition for this category.

On an optional basis for those that are interested a special breeder prize will be given to those that participate in a special average speed capital prize.

Cost is \$50.00 payable prior to Oct 26. Any bird that is not available to fly the Lakeview Sept 26 will be refunded.

Payout: 1<sup>st</sup> 50% 2<sup>nd</sup> 30 % 3<sup>rd</sup> 10 % 4<sup>th</sup> 5% 5<sup>th</sup> 5%

Actual race dates could change due to weather conditons.
